Key Personnel

Patrick Nagle - Founder, CEO

Technology entrepreneur and venture investor with a track record of building and exiting digital businesses. Led RateMyProfessors.com through its acquisition by Viacom, later acquired and grew Rehab.com to a successful exit, and has overseen the expansion of MentalHealth.com since 2023.

Daniel Rivette - Co-Founder, COO

Seasoned operating executive and former U.S. Army Ranger with 20+ years of experience building venture-backed companies. As COO of Rehab.com, he helped grow the platform to nearly one million people seeking addiction treatment and played a key role in the company's successful exit.

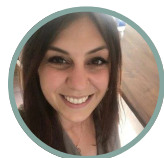

Yogya Kalra - Director, Strategy & AI

Strategy and AI leader with experience across consulting, research, and systems design. Contributed to multimillion-dollar initiatives at Deloitte and public health initiatives at Harvard University. Former Business Insights Intern at OpenAI and ongoing collaborator through ChatGPT Lab.

Jesse Hanson, Ph.D. - Clinical Director

Clinical psychologist and behavioral health leader specializing in somatic psychology and neuropsychology. More than 20 years of experience in mental health and wellness, including leadership roles at Helix Healthcare, HOLOS, Atman Retreats, and Rehab.com.

Helena Georgiou - Co-Founder, Director

Operations executive with 15+ years of experience building consumer internet platforms. At Rehab.com, she helped expand a network of more than 5,000 treatment providers and support nearly one million people accessing care before the company's acquisition.

Brian Trisler - Venture Advisor

Serial entrepreneur with 20+ years of experience scaling category-defining companies. Co-founder of A Place for Mom, the leading senior care marketplace with a nearly \$1 billion exit, and advisor to Rehab.com during its growth and acquisition.
